

Tram Bui

Analytical Focused Networker

Thinking

Analysing | Exploring

Tram is comfortable in dealing with numerical data to understand problems and solve them. Tram tends to be factual and uses evidence to support their hypothesis.

Tram prefers following established and proven approaches when dealing with any obstacles. Tram appreciates the need for authority and rules and can adjust easily to this. Tram is generally practical and down to earth but at times may benefit from keeping an open mind to new or novel approaches to problems.

Connecting

Networking | Collaborating

Tram is someone who feels at ease when connecting with new people and generally has a well-developed network.

Tram tends to keep their opinions to themselves and avoids getting involved in problems of their co-workers. Tram can be quite competitive and may be skeptical about people unless proven otherwise. Tram may take decisions without considering the viewpoints of others.

Executing

Quality | Result Driven

Tram tends to be systematic, methodical and organised and delivers within deadlines. Tram is reliable and disciplined and driven to achieve their goals.

Tram pays attention to details and enjoys delivering work that is of a high standard.

Progressing

Leadership | Resilience | Adaptability

Tram may feel demotivated when faced with negative feedback or setbacks.

Tram prefers to work in stable environments and is uncomfortable with dealing with unplanned changes.

Tram generally prefers to work in an individual capacity rather than lead teams.

You generally prefer to work in an individual capacity rather than lead teams.

Role Fit

- Roles which relate to research, analysis, data analytics or applying rational thinking to solve problems.
- Roles with clear goals or timelines, where performance can be easily measured.
- Roles dealing with or providing input to senior management or involving tasks that require precision and detail such as drafting communications.

Organization Fit

- Organisations that promote evidence based critical thinking.
- Organisations that are fast paced, results oriented and offer clear career paths linked to your performance.
- Organisations that value high quality work that is precise and detailed.
